Barcode Ticket TL 360

A disposable ticket that is essential for your business success.

Save Money with Every Ticket

- A high-quality but still low-priced data carrier.
- Ideal for short-term tickets such as day passes.
- You don't need additional printing material such as color ribbons at the cash register.

Valuable Marketing Possibilities

- Design tickets based on your corporate design.
- Increase revenue with sponsored advertising.

Responsible Behavior

- Act responsibly. The decision for the barcode ticket TL 360 is a decision for the environment.
- FSC™-certified: The paper for the ticket comes from responsible sources.
- The ticket is free of PVC and Bisphenol A.

Fraud Prevention

- Black-on-black barcode printing prevents fake tickets.
- Only readable in infrared light. Hence, tickets can't be reproduced.
