

Sales.Services

Widen your sales channels and grow your business. It's that simple.
And SKIDATA makes it easy.

More channels, more sales

- Sell tickets with the best sales channel for your customers.
- Select and combine the sales channels of your choice out of a wide SKIDATA product portfolio.
- Gives you the functionality you need at a price you can afford.

Offer customers unprecedented ease

- Make it easy for customers to find you with web and self-service options.
- Make sales wherever your customers may be via mobile phone apps and third party channels.

Establish a unique positioning for yourself

- Show how progressive your business is by embracing new channels.
- Out-do the competition and establish yourself as a clear leader.

It's seamless with SKIDATA

- We can take care of both the set-up and operation of your new channels
- Choose the model that works for you: pay upfront, pay per transaction or a combo of the two.
